Dear Don, David, Officers and Employees:

I was pleased to learn that *Entrepreneur Magazine* has listed Future Telecom, Inc. on its list of the Hot 100 new companies in Texas.

Congratulations on this outstanding achievement which recognizes your leadership, management skills, and hard work. I join my fellow Texans in the pride they feel in the entrepreneurial successes in our state.

Since I became your United States Senator, I have consistently supported legislation to lessen the burden from the federal government on the small businesses in our state. I hope you will not hesitate to contact me if I can ever assist you.

With best wishes for continued success.

Sincerely,

A handwritten signature in cursive script that reads "Kay Bailey Hutchison".
